I used to work in Chicago, in an old department store
I used to work in Chicago, but I don't work there

ALL: Some velvet from the store?

SINGER: Velvet she wanted, felt she got!

ALL: Oh, I don't work there anymore!

A hammer she wanted, nailed she got

4. PART OF OUR HASH

(Original Composition by Purple Vein, First Lady of GCH3)

Look at this hash

Isn't it neat?

Wouldn't you think our collections complete?

Wouldn't you think we're the ones, the ones who have
everyone?

We've got Jizzy's and Jizz'ls a' plenty

We got Tables and Toppers galore

And vagina names? We've got 20

But who cares, no big deal, we want more

Out where we run, out where we walk,

Following trails of flower and chalk

Beer on your dome, soon you'll call home GCH3

What would you pay, if you could play, with all these
dickheads?

What would you give if you could live like a heathen?

Muggles on land, don't understand

They want to, reprimand us drinkers

But we're hashers, so you bastards, are you on-on?

Are you ready to know what these wankers know?

You've got questions, S.A.D.'s my answer

Like who am I, and why won't I shut the fuck up?

Fill up your cup

Don't you dare frown

Cause you are going to do a down down

And when you're done

You will become

Part of our hash

5. SHITTY TRAIL

S-H-I-T-T-Y- T-R-A-I-L

6. BALL GAME

Whip it out at the ball game

Wave it round at the crowd

Dip it peanuts and crackerjack

I don't care if you give it a whack

Because it's beat your meat at the ball game

If you don't cum it's a shame

'Cause it's one, two, you're covered in goo

At the old ball game.

7. EL CAMINO

The front is like a car and the back is like a truck

The front is where you drive & the back is where you- El Camino! el el Camino!

But my dick (clit) is so delightful.
So if you really want to see it grow,
Give it a blow, give it a blow, give it a blow.
Drink it down, down, down...

9. HEAD, WHO SAID HEAD

Head? Who said head?
I'll take some of that!
And I did, and it was good,
And there was much rejoicing.
And then we fucked. We fucked for hours,
Uprooting trees, and shrubs, and flowers.
And boy was she pissed
Irate
It wasn't fun, it wasn't funny
It was dangerous
I'm taking my _____
AND MY _____

15. LIKE A ROSE

Some say love it is a river, flowin wild & flowin hot

And your fart goes up her nose
And she smiles and she tells you
That your ass smells like a rose

Take it in your ass Mrs. Murphy
For it only weighs a quarter of a pound
It's got hair on its neck like a turkey
And it spits when you shake it up and down

Oh, take it between your legs, Mrs. Murphy
It is just aching to crawl inside
It has a helmet on its head like a soldier
And it will shoot all its ammo, then die

Oh, take it between the breasts, Mrs. Murphy
And look it straight in its one eye
It will lie at peace between your bosom
Until finally milk-tears make you cry

Why were you born so beautiful?
Why were you born at all?
You're no fucking use to anyone,
You're no fucking use at all.
You may be a joy to your mother,
But you're a pain in the ass to me,
You ought to be publicly pissed on,

You ought to be tied to a urinal,
And left there to fester and rot.

31. FUCK HER GENTLY

This is a song for the ladies
But fellas, listen closely
You don't always have to fuck her hard
In fact sometimes that's not right to do
Sometimes you've got to make some love
And fuckin' give her some smoochies too
Sometimes ya got to squeeze
Sometimes you've got to say, "Please"
Sometime you've got to say
"Hey, I'm gonna fuck you softly
I'm gonna screw you gently
I'm gonna hump you sweetly
I'm gonna ball you discreetly"
And then you say, "Hey I bought you flowers"
And then you say, "Wait a minute, Sally
I think I got somethin' in my teeth
Could you get it out for me?"
That's fuckin' teamwork
What's your favorite position? It's not my favorite but I'll
do it for you
What's your favorite dish? I'm not gonna cook it
but I'll order it from Zanzibar
And then I'm gonna love you completely
And then I'll fuckin' fuck you discreetly
And then I'll fucking bone you completely
But then I'm gonna fuck you hard

Swing low, sweet chariot,
Coming forth to carry me home.

I looked over Jordan (swish), and what did I see,
Coming forth to carry me home,
A band of angels coming after me,
Coming forth to carry me home.
If you get there, before I shit,
Coming forth to carry me home,
Tell all my friends, that I'm coming twice,
Coming forth to carry me home.
